AGREEMENTS		INITIALS
	I understand that volunteering with Green Acres Animal Rescue is not a paid position.	
	As a volunteer, I agree to abide to any and all of the organizations policies and procedures.	
	I understand that I am volunteering at my own risk and will not hold the organization, or its affiliates, responsible for liability of any accident or injury which may arise from my volunteer work for the organization.	
	As a volunteer, I fully understand and agree to provide humane care and treatment for all animals in my care during my volunteer work.	
I understand that shelter animals require lots of attention and need proper training. I do not expect that the animal(s) will know how to do everything right away. I understand it will take time for the animal to warm up to new volunteers.		

I certify that the information entered on this application is true and correct to the best of my knowledge.
